

PREMIUM
INSURANCE COMPANY

Environmental Liability Insurance is designed for businesses and covers the cost of restoring damage caused by environmental accidents arising from the pursuit of business activities. It covers the costs related to an environmental damage or the threat of an environmental damage related to the insured activities or products.

WHAT IS ENVIRONMENTAL DAMAGE?

- ☞ harm to endangered or protected species and habitats with severe adverse effects
- ☞ contamination of water that severely disrupts its ecological potential
- ☞ soil contamination as a consequence of direct or indirect introduction of substances, preparations, organisms or microorganisms

WHAT IS COVERED BY THE INSURANCE?

- ☞ preventive measures
- ☞ mitigation measures
- ☞ corrective measures
- ☞ technical costs
- ☞ property damage
- ☞ bodily injury
- ☞ legal costs

INDUSTRIAL ACCIDENTS:

- ☞ optional cover for serious industrial accidents as defined in the Act on Prevention of major industrial accidents
