

PREMIUM
INSURANCE COMPANY

General and Product Liability insurance protects against losses for damage caused by defective products. It covers businesses for harm caused to the health or life of third parties as a result of the insured products.

WHAT IS COVERED?

- ☞ claims relating to the products listed in the policy
- ☞ claims relating to defective work or defective products manufactured by the insured party
- ☞ claims relating to the exercise of ownership rights or the management and operation of fixed assets for the purposes of the insured activities
- ☞ claims relating to the operation of social and recreational facilities and the organisation of corporate events
- ☞ claims relating to the operation of fixed advertising equipment owned by the insured party

WHAT ARE THE BENEFITS OF BASIC COVERAGE?

- ☞ the cover is valid for claims originating in Slovakia, Czechia, Austria, Hungary and Poland
- ☞ the payment of claims for damages caused by defective work or products up to the insurance limit
- ☞ the payment of legal costs relating to claims for compensation
- ☞ payment of the costs for preventing damage or mitigating its extent of up to 20% of the insured limit or the specified sublimit
- ☞ a sublimit of €20,000 for claims relating to occupied property
- ☞ a sublimit of €2,500 per item and €10,000 in total for claims that relate to the damage of staff possessions
- ☞ a sublimit of €2,500 per item and €10,000 in total for claims that relate to the damage of visitors' possessions
